## All About Photo Announces the Winners of AAP Magazine #14 Colors

FOR IMMEDIATE RELEASE : SAN DIEGO NOVEMBER 10, 2020

We're delighted to reveal the names of the 25 talented photographers who won "AAP Magazine #14: Colors"

Life is a stream of colors. Red, blue, yellow, and all the possible combinations in between surround us everywhere.

For this 14th edition of AAP Magazine, we were looking for submissions of works of art in which the only limit to creativity was the photographer's imagination.

We chose twenty-five photographers (from 11 different countries and 3 continents) for their different approach to color photography. Their color palette is diverse: bold, vibrant as well as pastel, or even monochromatic but each time their conscious choice adds to the photograph's esthetic appeal and convey sensory pleasure.

The Winner of AAP Magazine #14 Colors is **Paul Brouns** (The Netherlands) with his project "*Urban Tapestries*".
The Second Place Winner is **Forrest Walker** (USA) with his project "*In Living Color*".
The Third Place Winner is **Frank Herfort** (Germany) with his project "*Soviet Metro*".

About AAP Magazine

All About Photo invites dedicated and passionate photographers from all around the world to share their work in its printed edition. Each issue is central to a specific theme and provides a gallery of inspiring imagery, focusing on each artist with their own experience to share.

We are honored to be a part of the process of jurying work from such an amazing call for entry and to be able to design such a beautiful, hand-curated publication of the best contemporary photography. We showcase exclusively the winners of AAP Magazine's call of entries organized by All About Photo all year long.

With an eye towards beauty, quality and novelty, we strive to promote portfolios which stand out for their unique visual signature style and character. Our goal is to help photographers get the exposure we think they deserve and to inspire the others with ideas, projects and goals to help develop their own photography.
